

## Online Staff Training and Compliance Management System for Colleges

Train your staff with SafeColleges, the leading online training and compliance management system for campus employees!

A comprehensive library of 100% campus-focused courses matched with a state of the art compliance management system make it easy to efficiently deliver and document training and policy acceptance for every employee in your community.

### Save Time

- Administer essential safety training to all staff online.
- Deliver expert-authored, 100% campus-focused courses, written by the nation's leading safety authorities.
- Staff complete courses online by the dates you assign or receive automatic email reminders.
- Real-time results are automatically tracked by individual staff, building, or campus progress and delivered to your inbox.
- A Policy Builder tool allows you to upload, assign, and track campus policies all through the same convenient system.

### Save Money

- Cut Property and Liability costs.
- Decrease Workers' Compensation claims.
- Reduce overtime expenses and in-service training time.

### Save Lives

- Prepare staff on critical topics including Bloodborne Pathogens; Sexual Misconduct; Slips, Trips, & Falls; MSDS; School Violence; Visual Weapons Screening; Youth Suicide; Dating Violence; Diversity Awareness and more.
- Prevent costly lawsuits and legal expenses.
- Protect your campus in the event of an emergency!
