

Defensive Driving

Estimated time to complete: 20 minutes

Course Description

SafeColleges' *Defensive Driving* course is a comprehensive tutorial designed for any school employee who drives a district or school vehicle including both professional and nonprofessional drivers. The course content includes strategic driving tips and real-world school-based driving scenarios to help improve your decision-making when you're behind the wheel of a school vehicle (or any vehicle).

Common Themes

- 5 strategic driving tips for drivers of school vehicles
- Improving hazard recognition skills while driving
- Eliminating the danger of indecision while driving
- Becoming proactive in vehicle-handling ability
- A foundation course that complements *Road Rage*, *City Driving*, and *Winter Driving* (also by SafeSchools)

Author

Patrick Fitzpatrick is a fifteen-year veteran of the Washington State Patrol where he served in many capacities including Police Pursuit Academy Instructor and Safety Education Officer and won acclaim for his innovative programs and public education courses. Currently serving as Director of Risk Management, Safety, and Security Services for the Northshore (Washington) School District, Patrick is President of "Compass - A New Direction in Driving", a LLC that provides vehicle operator training systems to both the public and private sector throughout the United States and Canada.

Training Environments

SafeColleges is ideal for a blended learning environment, complementing in-service or video training, or as a stand-alone training course. The *SafeColleges* approach engages the learner in an e-learning environment; while a Compliance Management System automatically tracks his/her progress through the courses. This assists the district administrator or training coordinator in demonstrating compliance.
