

Sexual Harassment: Policy & Prevention

Estimated Time to Complete: 2 hours

Course Description

Sexual Harassment provides background information on sexual harassment; offers several scenarios for both student-to-student and adult-to-student sexual harassment; identifies indicators of inappropriate behaviors; states the legal rights, responsibilities, and liabilities of institutions and individuals; and uses the Internet, pdf files, and SafeColleges documents to provide specialized reference materials

Common Themes

- Issues involve an unwelcome sexual behavior forced on one person by another.
- Sexual harassment includes a wide-variety of behaviors.
- Schools and school personnel may be liable in student-to-student and adult-to-student sexual harassment incidents.
- Ignoring student behavior, as “teens will be teens” can be ruled as negligence.

Author

Jennifer Watson serves as a consultant for SafeSchools America, Inc. She designs and presents sexual harassment training for schools districts and facilitates district teams to develop a comprehensive sexual harassment policy.

Training Environments

SafeColleges is ideal for a blended learning environment, complementing in-service or video training, or as a stand-alone training course. The *SafeColleges* approach engages the learner in an e-learning environment while a Compliance Management System automatically tracks his/her progress through the courses. This assists the campus administrator or training coordinator in demonstrating compliance.
